

Five Others Plead Guilty In Bulgarian Spy Trial

By RICHARD KASISCHKE
Sofia, Bulgaria, Feb. 28 (AP)—Five more Protestant churchmen pleaded guilty today in Bulgaria's spy trial.

By the end of the day's session, eight in all had entered guilty pleas. Seven others still must plead. All who pleaded guilty went through the now familiar routine, denouncing themselves, expressing repentance and pleading for a new chance to work for the Communist-controlled government.

All said they had seen the error of their ways in their opposition to Communism. All of them told the court that the secret security police who took their confessions of spying for Britain and the United States had displayed a "surprisingly noble attitude."

Familiar Pattern

The first to take the stand today was the Rev. Georgi Chernov, 46, a balding Pentecostal pastor. He lost no time in pleading guilty as the first three had done.

Like the others who preceded him on the stand, he launched into a long (Please Turn To Page 7)

BULLETINS

Budapest, Hungary, Feb. 28 (AP)—Josef Cardinal Mindszenty's former treasurer pleaded guilty to black market money dealings today. The defendant, Monsignor Imre Boka, admitted to a people's court that he gave dollars and other monies to different bankers and brokers for black market sale, as the trial of 14 persons allegedly implicated in Cardinal Mindszenty's activities opened.

Paris, Feb. 28 (AP)—The French government said today a Communist army major has confessed turning army documents over to "a foreign military attaché." The attaché was not identified, nor was the country he represents named.

Washington, Feb. 28 (AP)—President Truman advised administration leaders in the Senate today to meet the filibuster issue "head on" and seek a show down on curbing it.

Asuncion, Paraguay Feb. 28 (AP)—Paraguay, where revolutions have become a habit, has a new cabinet today, composed entirely of civilians under Provisional President Felipe Molas Lopez. Molas Lopez, now supported by the army, seized power Saturday in a bloodless coup, ousting President Raimundo Colon, who himself had overthrown J. Natalicio Gonzalez January 30.

1949 Red Cross Drive Opens This Morning; \$469 Donated By Organizations Of County

The 1949 annual Red Cross drive officially opened this morning with several hundred volunteer workers starting a house-to-house canvass to raise \$11,185, the official quota for the Adams county chapter.

First returns, responses from clubs, lodges and other organizations to whom special letters have been addressed by the county chapter, showed donations totaling \$469.50. Philip M. Jones and Richard E. Dreas, co-chairmen of the campaign, announced today.

"This is about what we anticipated from the initial returns," the co-chairmen said. "Many of the organizations meet tonight and other fixed dates this week. After these meetings we are hopeful that the returns will demonstrate a generous spirit of appreciation by these groups for the great humanitarian work the Red Cross accomplishes each year."

"Our goal, or quota, of \$11,185 is not high when one considers the expanding activities of the Red Cross. This represents less than thirty cents for each man, woman and child in the county. Many cannot give to the Red Cross but the vast majority of Adams countians can well afford to give generously to this deserving cause. We are looking to them for the financial assistance we need."

The Red Cross office will remain open each evening this week, from 6 until 9 o'clock, to receive donations. Organizations and individuals may report there if they wish.

Sunday was Red Cross Sunday in all the churches of the county and pastors were urged by the county chapter to make special appeals to their congregations to support the current drive.

Donations from clubs, lodges, fraternal organizations and other groups will be published, together with the amount of their contributions. Individual contributions will not be published because of the vast (Please Turn to Page 2)

TRAIN DERAILED AT BRUSH RUN

Five freight cars loaded with scrap metal and four empty cars on a westbound freight train of the Western Maryland railroad were derailed at Brush Run, five miles east of Gettysburg, at 6:15 a. m. today. No one was injured.

The 43-car train was in charge of Engineer W. H. Minnich and Conductor G. N. Shriver, both of Hagerstown.

A wrecking train and crew from Hagerstown were dispatched to the scene of the wreck, and Western Maryland officials said they expected to have the single track line open again by 6 o'clock tonight.

Cause of the wreck was being investigated. It was believed that a broken rail might have been the cause.

The locomotive and several cars at the head end of the train remained on the rails, and were able to proceed to Hagerstown. The train was en route from Baltimore to Hagerstown.

'Leap Year' Couple Is Puzzled Again

Mr. and Mrs. Ralph C. Geiselman, North Franklin street, would like to celebrate their 25th wedding anniversary, but up to noon today they had not made up their minds just when they can manage it.

The couple was married on February 29, a quarter of a century ago, and ever since they have had a problem with their anniversary—with the exception of leap years, which makes the matter easy. So far they have celebrated six times, once each leap year, and up to this time have not figured out whether the anniversary, on other years, should come on February 28 or March 1.

Mrs. Geiselman is the former Esther Miller. Mr. Geiselman is registrar of vital statistics for the Gettysburg area.

Historians Will Hear Mrs. C. H. Huber

Mrs. C. H. Huber will substitute for her husband, Dr. C. H. Huber, as the speaker at the Adams County Historical Society meeting Tuesday evening at 7:30 o'clock in the society's rooms in the court house. The subject of the talk will be "Distinguished Visitors to Gettysburg in My Time." Dr. Huber is in Philadelphia visiting his son-in-law and daughter, Mr. and Mrs. William M. Welch.

ADVANCE GAME TIME

The Knicks-49ers basketball game scheduled for the high school floor Tuesday evening will be played at 6:30 instead of 7 o'clock.

Never Forgets

One of the first donors to the Red Cross drive was T. H. Bateman, of Philadelphia, who mailed his check for \$100.

Mr. Bateman, a former resident of the county, has made a \$100 contribution to the Red Cross campaign each year for the past several years. He has never been solicited but each year reads in The Gettysburg Times about the campaign and immediately mails his donation.

He never forgets.

PROGRAMS FOR WORLD DAY OF PRAYER GIVEN

Names of members of the Gettysburg Council of Church Women who will act as leaders at the adult service at 2:30 o'clock, Friday, March 4, at St. James church, in observance of the annual World Day of Prayer, were announced today.

Mrs. Howard S. Fox, president of the council, will serve as leader for the first part of the program which will include the "Adoration." Mrs. E. Donald Scott and Mrs. George Ditchburn, of the Presbyterian church, will be the leaders for "Penitence." The leader for "Assurance" will be Mrs. Dolly Adams of the St. Paul's A.M.E. Zion church followed by "Thanksgiving," led by Mrs. Dwight F. Putman, of Christ Lutheran church. "Offering of Self," will be led by Mrs. W. A. Keeney of the Church of the Brethren and Miss Margaret McMillan, of the Methodist church, will serve as leader for "Intercession."

For the "Dedication," Mrs. Earl Shears, of the Memorial Evangelical United Brethren church, will serve as leader. A radio broadcast entitled "World Day of Prayer on the Air" will be presented by a group of members from St. James Lutheran church under the leadership of Mrs. Ralph R. Gresh. A closing prayer and the benediction will end the program.

Three Services

Mrs. Scott will serve as the leader for the children's service which will be held at St. James church at 4 o'clock. Following the call to worship, Mrs. Scott will explain the meaning of the 121st Psalm which will then be read by the audience. Mrs. Richard C. Lighter will show a film of various peoples in the world who are in need. The program also includes several hymns and a special anthem "Gracious Saviour," by (Please Turn to Page 2)

ZEPP-PETERS WEDDING HELD

Miss Miriam Ann Peters, daughter of Zeal Peters, Aspers, became the bride Saturday afternoon of Norman Harry Zepp, son of Mrs. Harry Zepp, New Oxford R. D.

The single ring ceremony was performed at the Heidersburg United Brethren church by the Rev. Arbe Dorsey. The altar was decorated for the service with two baskets of mixed flowers.

Mr. and Mrs. Arthur Kuntz, Bendersville, brother-in-law and sister of the bride, were the attendants. The bride wore a light blue gabardine suit, navy blue accessories and a pink rosebud corsage. Mrs. Kuntz also wore light blue and had a white carnation corsage.

During the ceremony Mrs. Way-bright Thomas, Biglerville, played "Because," "Clair de Lune," "I Love You Truly" and the traditional wedding marches on the piano.

Following a wedding trip to Niagara Falls the couple will reside at the home of the bridegroom, New Oxford R. D. Mr. Zepp, a farmer, attended Gettysburg high school. The bride, a graduate of Biglerville high school, was employed at the office of Biglerville high school from July, 1946, until her resignation last week.

GETS 30 DAYS IN JAIL

John Hoffman, Gettysburg, arrested by borough police on Baltimore street Friday afternoon on a disorderly conduct charge, was sentenced to 30 days in the Adams county jail by Justice of the Peace John H. Baschore in default of a fine of \$10 and costs.

WED 47 YEARS

Mr. and Mrs. J. D. Clapsaddle, Gettysburg R. 1, who are spending some time at Roseland, Fla., will observe their 47th wedding anniversary there on Wednesday.

WILLIAM SCOTT EXPIRES AFTER HEART ATTACK

William Lincoln Scott, 83, descendant of pioneer residents of Freedom township, died shortly after 11 o'clock this morning following a heart attack he suffered about nine hours earlier. He was born and always resided on the Scott homestead in Freedom township.

Dr. C. G. Crist, Adams county coroner who was summoned, attributed death to coronary occlusion.

Mr. Scott was born at the Scott homestead, June 9, 1865, a son of the late George Washington Scott and Florinda Jane Moore, of Fairfield. He attended the public schools of the county and engaged in farming at which he continued all his life.

Active Church Member

He was an active member of the Lower Marsh Creek Presbyterian church and served as elder for many years. About a year ago his health failed and he steadily declined during the winter. Recently his eyesight began to fail and he was unable to carry on his regular farm chores.

The deceased was twice married. The first Mrs. Scott was the former Miss Mary Rhinehart. Some time after her death he married the former Miss Grace Lott.

Mr. Scott is survived by his widow and the following children: Mrs. J. Seth Grove, of Shippensburg; Mrs. C. E. Jackson, of Niagara Falls, N. Y.; Elizabeth, Mary Louise, Janet, William and Robert at home. The latter was a captain during the recent war. One brother J. Hugh Scott, of Knoxlyn, also survives.

Funeral arrangements will be announced Tuesday.

METROPOLITAN BUILDING NEW 13-MILE LINE

The Metropolitan Edison company has begun work on construction of a main line between Gardners and Dillsburg, it was learned today.

Richard E. Dreas, manager of the local office of the Metropolitan Edison said that he had been informed by company officials that \$250,000 has been budgeted for the construction of the line which will be able to carry 114,000 volts across a 13-mile stretch from Gardners to Dillsburg where a sub-station will be constructed as part of the project.

James D. "Brownie" Munshour, local foreman of the Metropolitan Edison company, is supervising the construction of the high-voltage line which crosses about 18 properties in the upper end of the county.

The wires will be carried on wooden poles with two and sometimes four poles used at each support point. Work of clearing the right of way began last week and the poles are to be put in place starting about March 14.

While the line has a potential ability to carry 114,000 volts, the line will be energized at first at 66,000 volts.

The work is part of a general program of improvement of electric service in this section. Sunday another 833 KV transformer was added at the Gettysburg sub-station. Interference with service was at a minimum with the power being cut off in the town for about 90 seconds during the morning and for 45 seconds in the afternoon. The transformer is one of two to be installed. Installation of the second, scheduled for sometime in March, will boost the capacity of the local sub-station by about 53 per cent.

6 Students Missing; Two Dead In Dormitory Blaze

By KEN DAVIS
Gambier, O., Feb. 28 (AP)—Kenyon college today listed six students missing in a million-dollar dormitory fire that killed two others and injured 26 yesterday. Firemen searched the ruins for bodies.

Towering above the helmeted searchers were the gaunt stone walls of "Old Kenyon." It was the oldest building on the campus of the school for men.

That was all that was left of a 122-year-old dormitory that housed 120 men. The four-foot walls of gray stone withstood three hours of fire that raged through "Middle Kenyon" and adjoining wings early Sunday.

The missing students included Albert J. Lewis of Hazleton, Pa.

The dead were: Edward Brout of Mount Vernon, N. Y., 19-year old premedical student. He tried unsuccessfully to jump from the window of his room to a fire escape.

Marc S. Peck of Fenton, Mich. He died of burns in Mercy hospital at nearby Mount Vernon, O.

Twenty-three persons have already entered the contest. Anyone desiring to enter may do so by calling the Elks home, telephone 134, up until midnight tonight.

Friday evening's contest will not be open to the public. Members of the lodge with a guest will be permitted to attend.

A total of \$100 in prize money will be distributed to all contestants, with the first prize being \$25.

LITTLESTOWN

UNION SERVICE HELD ON SUNDAY; DR. WOLF TALKS

"Help Wanted" was the theme of the sermon by the Rev. Dr. Richard Wolf, assistant professor of church history in the Gettysburg Seminary at the union vesper service sponsored by the Littlestown ministerium in Redeemer's Reformed church, Sunday evening. The sermon was based on II Corinthians 5:17.

The host pastor, the Rev. Frank E. Reynolds presided over the service. He was assisted by the Rev. Charles B. Robert, secretary of the Ministerium, who offered the invocation and the Rev. Kenneth D. James, pastor of St. John's Lutheran church, who read II Corinthians 5:14 to 20 as the scripture lesson and introduced the speaker. Miss Shirley Gobrecht presided at the organ and the choir sang, "My God and I," a Latvian melody.

Next Sunday evening the service will be in St. Paul's Lutheran church. The Rev. John C. Brumbach, pastor of Christ Reformed church, has secured the Rev. Irvin A. Raubenhold, York, president of Mercersburg Synod of the Evangelical and Reformed church, as the guest speaker.

Society Meets

The annual exchange of pulpits was conducted by the ministers of Littlestown on Sunday morning, when the schedule previously announced was followed. Large attendances were reported in all of the churches.

Fred Warner was the leader of the Christian Endeavor society of Christ Reformed church on Sunday evening. Glenn Unger served as chorister for the group singing and Pearl Sell served as pianist. Theodore Bair played two accordion solos, "Largo" and "Poet and Peasant." The leader read the scripture lesson and the pastor, the Rev. John C. Brumbach offered prayer. Lewis Bair discussed the topic which was, "Let Brotherhood Prevail." A duet, "Whispering Hope" was sung by Mrs. LeRoy Berwager and Miss (Please Turn to Page 8)

Add Names Of Six Red Cross Solicitors

The names of six additional workers were added today to the list of Red Cross canvassers in District No. 2 in the fund campaign that opened Sunday.

Heading the additional list is Miss Burnelle Deardorff who is acting as co-chairman with Mrs. Kermit Deardorff for the district. The others are Mrs. Daniel S. Mickle, Mrs. Leonard Motoskoski, Mrs. Bernard Baker, Mrs. Clarence Ketterman and Mrs. Gift Walter.

JUSTICES FINE SIX MOTORISTS

Four motorists paid fines to Adams county justices for fast driving, two on charges of speeding and two for driving too fast for conditions. Two others were fined because they had no current inspection stickers.

Robert J. Staub, Biglerville R. 1, and Sara L. Fisher, Camp Hill, paid \$10 and costs each to Justice of the Peace Elton Myers, Idaville, on the speeding charges.

Oscar E. Wall, Baltimore, paid \$10 and costs to Justice of the Peace G. F. Coulson, Dillsburg, and John A. Regan, Wilkes-Barre, paid a similar amount to Justice of the Peace Walter Wolf, York Springs, for driving too fast for conditions.

Ralph E. Gladefelter, Glen Rock, was fined \$2 and costs by Justice of the Peace Howard G. Blocher, Littlestown, on a sticker charge. James E. MacLane, Danville, Pa., was fined \$2 and costs on the same charge by Justice of the Peace Claude Straley, New Oxford.

LOCAL FIREMEN MAKE TEST OF NEW EQUIPMENT

Gettysburg firemen tested the new nozzle and couplings placed on the ladder truck Sunday afternoon and satisfied themselves that they now have the ability to throw water down on any building in Gettysburg, if there is need.

The nozzle, together with its hose, is fastened to the main ladder on the large ladder truck and when the ladder is raised the hose nozzle is approximately 40 feet in the air. That connection is considered permanent by the firemen, but if need be the couplings and nozzle can be placed on the extension of the ladder and put up to 75 feet in height. Fire Chief James A. Aunen said.

Firemen during their test Sunday expressed the doubt that it would ever be necessary to raise the hose to the full height of the extended ladder, stating their belief that its present location would enable them to play a stream of water on the roof of any structure in Gettysburg. Placing it higher, on the extended ladder, would involve some possible loss of pressure and problems of swaying not now existing.

Many See Test

A large number of townspeople turned out for the initial test, held on the lower parking space at the high school.

Eventually the nozzle will be controlled from the ground, if wished, without the need of any firemen being up on the ladder, but during Sunday's test, the nozzle was still too "stiff" to operate properly by manual control from the ground. Firemen expressed the belief, however, that with a little adjustment and by "working" the nozzle, eventually they will be able to operate it by wires extending from the nozzle to the ground. Under proper operation, Chief Aunen said, the water pressure forces the nozzle to stand nearly upright. Two wires leading to the ground can be used to deflect the nozzle downward at any angle and another wire can be used to move the nozzle horizontally.

Firemen pointed out that while full manual operation from the ground has not as yet been secured, the hose could be used in connection with any fire at any time by having a fireman on the ladder to move the nozzle in whatever direction is needed.

Examine Pupils In Littlestown

One hundred and 75 pupils of the Littlestown joint school system and the Littlestown parochial schools underwent physical examinations at the Littlestown high school building this morning following the emergency health ban set last week due to the outbreak of spinal meningitis in that area.

Thirty students, who either had high temperatures or colds, were sent home and advised to have their own physicians list out certificates permitting them to return to school. The examinations were conducted today by Dr. Donald B. Coover, Dr. L. L. Potter and Dr. A. C. Richards, all of Littlestown. They were assisted by Miss Mildred Eden and Miss Doris Dugan, state nurses in the county, and Mrs. Hamilton Walker, school nurse for the jointure.

County Health Officer William I. Shields, Sunday visited the four youngsters from the area suffering from the disease at the Harrisburg city hospital. He said that all are showing improvement.

Harper P. Main, Jr., New Fish Warden

Harper P. Main, Jr., 34, of Fayetteville R. 1, assumed his new duties today as fish warden of Franklin county and a portion of Adams, succeeding William W. Britton who was recently promoted to the position of chief fish warden of Pennsylvania.

Main entered the employ of the state Department of Forests and Waters ten year ago, and returned to duty in the Michaux district after serving with the Army Engineers for four and one-half years during World War II. Until a telephone is installed in his home at Caledonia, he will receive calls as fish warden at the Michaux forest office through the Fayetteville exchange.

FOUR-INCH SNOW COVERS COUNTY; TO TURN COLDER

Adams county was covered today with a four-inch snowfall, but the white stuff was causing no serious difficulties.

With no frost in the ground, and with roadways warm, the snow melted rapidly as it fell. On highways the roads remained clear in all sections with the exception of some mountain roads where, Highway Superintendent J. William Kendlehart, Jr., said, slush formed and became slippery in some spots. Two snowplows began the work of pushing the slush off the mountain roads at 8 o'clock this morning and up to noon had found no difficulty in keeping the roads clear.

However, the weatherman gave promise that the snow and slush would turn to something less pleasant by tonight. When the mercury drops at nightfall the slush and snow is scheduled to turn to ice, the weatherman said, thus making the highways dangerous.

One Highway Death

The snowfall—fourth major storm in the Keystone State this winter—began here before midnight. The flurries blanketed western Pennsylvania, buffeted by wind up to 42 miles per hour.

Generally, the temperature plummeted downward. The mercury had reached a high of 55 yesterday in Pittsburgh. It was 41 in Philadelphia. The weatherman predicted below-freezing temperatures tonight—somewhere in the middle 20s. The snow will stop but it will remain windy.

Death traveled on the slippery, slush-filled roads in other sections.

At York, Aaron M. Lock, 31, was killed on the Susquehanna Trail. His automobile skidded into a coal truck early today. The truck, heading south, was driven by Harry M. Mitzel of Shamokin. Lock's car was pushed against a tree and the Harrisburg resident crushed in the mishap.

HARRY MCLEAF, VETERAN, DIES

Harry E. McLeaf, 29, Fairfield, died at the Warner hospital Sunday evening at 6:45 o'clock from a complication of diseases following an illness of over two months.

Mr. McLeaf served in an infantry outfit during World War II and was discharged September 12, 1945. He was a member of the Albert J. Lentz post, American Legion, Gettysburg.

Surviving are his parents, Clain and Fannie (Baker) McLeaf, Fairfield; 11 brothers and sisters, Raymond, Oertanna; Glenn, Mrs. John McDannell, Margaret and Paul, all of Gettysburg R. 2; Earl, Wayneboro R. 4; Mrs. Earl Mickey, Gettysburg; Mrs. Earl Ginter, Hanover, and Dale, Kenneth and Catherine, all at home; paternal grandmother, Mrs. William McLeaf, Fairfield.

Military funeral rites Wednesday at 2 p. m. from the Allison funeral home, Fairfield, with the Rev. Floyd A. Carroll, Gettysburg, officiating. Interment in Fairfield Union cemetery. Friends may call at the funeral home Tuesday evening from 7 to 9 o'clock.

Automobile, Truck Crash In Biglerville

An automobile driven by Cleatus Stahl, 62, of Aspers R. 1, and a truck owned by Wade Stanley, and driven by Anthony Thompson, Jr., 25, both of Uniontown, figured in a collision in Biglerville at 2 p. m. Saturday afternoon, according to state police of the Gettysburg sub-station.

Police said Stahl made a right turn off Main street, a block south of the square in Biglerville, onto the Table Rock road, and was struck on the right rear by the truck. Damage to Stahl's car was estimated at \$150. There was no damage to the truck. No one was injured.

POLICE GO TO NORTH DAKOTA FOR FUGITIVE

Chief of Police Robert C. Harpster and Patrolman Kenneth Tawney left Sunday afternoon for Jamestown, N. D., to bring back Homer H. Edgington, wanted here on a forged check for giving an alleged forged check on a non-existent bank in part payment on an automobile purchased from a Gettysburg dealer.

Borough police said that Edgington, a veteran of World War II, until recently employed as a cook at Caledonia Manor, obtained a blue Lincoln sports sedan from the Dave Oyler Motors, Steinwehr avenue. The car was valued at more than \$3,000. Edgington is charged with giving the automobile firm a check for \$2,000 on February 18 in partial payment for the car.

According to the information filed with Justice of the Peace John H. Baschore, Edgington signed the check with the name of Edwin C. Hart. The check was drawn on The Baltimore Trust company.

Edgington was arrested Saturday in Jamestown by Sheriff William M. Bennett, of Stutsman county, N. D., at the request of borough police here. Local authorities said Edgington waived extradition.

Authorities here said the Lincoln automobile had been recovered in Chambersburg in a municipal parking lot, after Edgington had attempted to sell or raise money on it in Chambersburg.

THREE BANDITS TERRORIZE 7 AND GET \$1,000

Cotesville, Pa., Feb. 28 (AP) — Police searched today for clues to the identity of three smooth-talking young men who terrorized seven persons at a Cotesville night spot and made off with more than \$1,000 in loot.

State and local police reported they have no idea of who engineered the holdup at John McGinley's cafe early yesterday.

This is what happened:
Waited Until Closing
Three well-dressed young men appeared at the cafe at 11 p. m. Saturday night. They sat at the bar drinking until the place closed at midnight.

Three male patrons remained when Bartender Arthur Sherrill started sweeping up.

Suddenly the trio whipped out German Lugars and announced this was a holdup. They told Sherrill to drop the broom and move over to a wall with McGinley and the patrons. "Drop it," said the leader, "or you'll never sweep again." He let it go. The door was barred.

Hostess Violet Pickle, entered from another room. The trio took her wrist watch and pocketbook and lined her up with the others. They took what was in the men's pockets and the cash register. Their cash haul was about \$1,000.

Using rope they found nearby, the trio trussed all but McGinley hand and foot. When they exhausted the rope supply, they ripped up a tablecloth and made fetters of the shreds.

Then they forced McGinley to lead them upstairs to the safe. He opened it after nervously failing to hit the right combination the first two times.

Gave Victim Drink
They took McGinley downstairs and tied him up. Two of the men went outside and found Sherrill's wife approaching. They forced her to enter and tied her too.

Before leaving, the leader took a case of whiskey from McGinley's stock. Pouring himself a drink, he turned to McGinley and asked: "Have one, Jack?"

"I could use one," McGinley answered.

So the gunman poured him a drink, walked over and held the glass to his lips while McGinley drank it.

Then the three fled.

YOUTH ADMITS KILLING BOY

Philadelphia Feb. 28 (AP)—Seymour Levin, 17, pleaded guilty today to the knife-scissors slaying of 12-year-old Ellis Simons.

Three quarter sessions court judges immediately began hearing testimony in the case. There will be no jury trial.

The judges will fix degree of guilt and the punishment.

The court was jam-packed at Levin's arraignment. Hundreds of other persons milled in the corridor outside.

Seymour's parents were seated in the first row. It was the first public appearance of his mother since her son's arrest January 9.

The bespectacled Levin boy was only 16 when he lured Simons to his fashionable Wynnefield home and hacked him to death. Today Seymour looked frightened. His eyes blinked constantly, he fidgeted. He clenched and unclenched his hands rapidly.

Mrs. Howard Trostle Dies; Ill Ten Days

Mrs. Carrie E. Trostle, 69, wife of Howard Y. Trostle, died at her home, Gettysburg R. 5, Saturday evening at 10 o'clock after an illness of a week and a half. Taken ill with gripe, Mrs. Trostle's condition did not become serious until Saturday.

The deceased was born in Adams county, a daughter of the late Jacob L. and Mrs. Mary Bucher Toot. She resided all her life in this county and was a member of the Salem United Brethren church. She and Mr. Trostle would have observed their 45th wedding anniversary next month.

The husband is the only immediate survivor.

Funeral services from the Bender funeral home Tuesday afternoon at 2 o'clock with the Rev. Harold V. March, her pastor, officiating. Interment in Evergreen cemetery. Friends may call at the funeral home this evening after 7 o'clock.

Annual Report Of Auditors Is Filed

The annual report of the Union township auditors was filed today with the county clerk of courts.

Prepared by Robert D. Brown, John A. Arentz and Stanley R. **DEATH CLAIMS
CHARLES O'NEILL**

New Rochelle, N. Y., Feb. 28 (AP)—Charles O'Neill, who rose from a miner to become spokesman for operators in the soft coal industry and a top bargainer with John L. Lewis' United Mine Workers, died last night.

O'Neill, 61, a resident of nearby Scarsdale, N. Y., died at New Rochelle hospital following a cerebral hemorrhage suffered a week ago. Praise of O'Neill came from both operator and mine union spokesmen as word of his death spread.

O'Neill, an expert in the mining industry, had been prominent for many years in representing the operators in negotiations with the United Mine Workers.

In his youthful mining days he was a member of the UMW, and in 1918 was elected president of the union's District No. 2.

Later, he assisted in organizing the Central Pennsylvania Coal Producers Association, and became its president several years ago. He became active in Washington for the Eastern Pennsylvania Coal Operators association in 1933.

Bullets Handed Surprise 51-47 Setback By Lehigh Dribblers

Playing ragged and listless ball throughout the entire game, the Gettysburg college cagers were given a rude jolt Saturday night at Bethlehem when Lehigh spurted in the final period to gain a 51-47 victory.

Coach "Hen" Bream's outfit played far beneath its normal form which can be attested to by the statistics which reveal the Bullets landed but 19 goals in 70 shots from the field. Going into the last period Gettysburg led 40-34 but in the final round only three goals were recorded on 20 shots while Lehigh poured 17 points through to snare the game.

Lange, Lehigh center, was the individual star of the evening, landing 24 points on 10 goals and a quartet of foul shots.

The teams battled to a 10-10 draw in the first period, the Bullets coming on a pair of goals by Harris, single twin-pointers by Boehner and Piechner and a pair of free tosses by O'Brien, Lange led the Engineers with a pair of goals.

Play throughout the second quarter was on even terms. The feature of the round was a long shot by Ross Sachs, Bullet guard, who netted one of the longest goals ever seen in the Engineer gym as the half ended. Sachs fired from the foul circle in the Lehigh scoring area and it was figured the toss sailed a little over 70 feet. The sensational shot put Gettysburg in front 20-17.

Pure, Boehner and Sachs led the local assault which gave Gettysburg a 40-34 lead at the close of the third quarter before the Bream-men folded completely in the final round.

Broadcast Game
On Wednesday the Bullets, now sporting a 13-9 record, meet powerful LaSalle of Philadelphia. It has been announced that WGBC, the college broadcasting station will broadcast the game.

On Friday morning at 10:30 o'clock a meeting will be held in Lancaster to determine the eight teams who will participate in the annual Middle Atlantic cage tournament. Despite the unexpected upset at the hands of Lehigh it is believed the Bullets will be chosen to take part.

Scotland downed Mercersburg last Wednesday to win its title. Doors will open at 7 o'clock. Adult tickets will be 80c and students tickets 30c, tax included.

DUQUESNE AND VILLANOVA ARE NEAR PA. TITLE

(By The Associated Press)

Duquesne and Villanova strengthened their claims on the mythical 1948-49 Pennsylvania collegiate basketball championship and post-season tournament invitations during the past week.

The Iron Dukes (17-4) whipped Akron 51-43 Monday and trounced Belmont 71-51 Saturday. Villanova (19-3) turned back Muhlenberg 62-49 in a double overtime on the Mules' home court Wednesday, and came back Saturday to win an impressive 67-56 decision over Seton Hall on the latter's floor.

The prospect now is that Villanova and Duquesne may have to meet in a playoff to determine the representative of district two in the NCAA tourney. Of course a lot can happen this week with Villanova in action three times and Duquesne completing its schedule against tough Cincinnati.

LaSalle Crashes
The biggest crash of the week was the fall of LaSalle college (19-6). The highly-rated Philadelphiaans bowed at Madison Square Garden in New York, 62-53 to Manhattan and then fell before a late North Carolina State rally 60-56. The two defeats wrote finis to LaSalle's tourney hopes.

Another highlight of the week was Temple's (14-8) thrilling 57 to 56 win over St. Joseph's college giving the Owls the Philadelphia city crown, Johnny Ballots of Hazleton, Pa., tossed in the Philadelphia season's longest field goal—from mid-court—in the final five seconds to give Temple its win.

Two big upsets were recorded in Bethlehem where Moravian (6-14) tripped P.M.C. 80-71, and Lehigh (7-8) smacked down Gettysburg (13-7) 51 to 47.

Penn Beats Dartmouth
Penn (12-7) trounced Dartmouth in an Ivy league tussle 64-43 to continue in a fourth-place tie with Cornell. Pitt (11-13) bounced Westminster (13-7) 50-40 in another upset. Little Gannon college (7-15) scored a tremendous upset by edging St. Bonaventure of New York 47-45.

Drexel (11-3), Pennsylvania's third ranking team in the won and lost column, beat Delaware 58-53 while Washington and Jefferson (11-4) wallowed Carnegie Tech 64-34.

In other Saturday games: Alderson-Broadus 68, Waynesburg 64; Indiana 71, Shippensburg 65; Rochester 54, Allegheny 52; American 61, Lycoming 28; Lincoln 62, Kings 51; Philadelphia Textile 70, Cooper Union 69; East Stroudsburg 73, Trenton 48; St. Francis 82, Steubenville 52; Lafayette 55, Brooklyn Poly 40; Juniata 70, Ursinus 60; Long Island Pharmacy 73, Philadelphia Pharmacy 58; Cortland (N. MAJORS BEGIN EARLY TRAINING

New York, Feb. 28 (P)—The major leagues will begin spring baseball rehearsals on scattered warm weather fronts tomorrow with seven of the 16 clubs under managers who weren't barking the orders a year ago.

Four national league teams will be under pilots who took over in the midst of last season and who should have some notion of their task. The three new bosses in the American are digging in from scratch.

The National managers who will be supervising spring drills of their particular clubs for the first time are Leo Durocher of the New York Giants and Burt Shotton of the Brooklyn Dodgers, who figured in the sensational switch last July; Ed Sawyer of the Philadelphia Phillies, and Bucky Walters of the Cincinnati Reds.

The American's new brain trusters, all appointed at the close of the 1948 campaign, are Casey Stengel of the New York Yankees, Red Rolfe of the Detroit Tigers and Jack Onslow of

WRESTLERS BOW TO DIPLOMATS BY 27-3 SCORE

Only Russ Riegel, Gettysburg college's unbeaten 155-pounder in dual meets, was able to score a triumph as the Bullet wrestlers bowed to the powerful Franklin and Marshall grapplers here Saturday evening 27-3 before a crowd of approximately 600 fans.

Riegel gained a narrow 3-2 decision over Hausroth for the Bullets' only tallies.

For the Diplomats, who have lost only to Lehigh, the victory marked their 10th of the season. The loss was the Bullets' third against six triumphs.

Falls were gained for F. and M. by Steven Horoshak, 121; George Farrier, 175, and Larry Mackey, heavyweight.

After winning the first three bouts in the preliminary event the Bullets lost the final five bouts to lose 23-13. S. Andrews, 128, and J. Woods, 136, gained falls for Coach Cole's outfit.

This week the Bullets will host for the 11th annual Middle Atlantic Wrestling tournament. Preliminaries will be Friday evening at 8 o'clock with the semi-final Saturday at 2:30 p. m. and the finals in the evening at 8 o'clock.

The summaries: 121—Horoshak, F. and M. pinned Robert Heldrich, in 7:06.
128—Clark, F. and M., decided Graham McCutcheon 6-0.
136—Golego, F. and M., decided Joe Erb 8-0.

145—Wendall, F. and M., decided Richard Samsan 6-0.
155—Russ Riegel, Gettysburg, decided Hausroth 3-2.
165—Cope, F. and M., decided Loncoe Soult 9-4.

175—Farrier, F. and M., threw Clarence Diehl in 4:16.
Heavyweight—Mackey, F. and M., pinned Carlton Smith in 1:50.

Jayvee Match
121—Loose, Gettysburg, decided Snowberger 8-2.
128 — S. Andrews, Gettysburg, threw Black in 7:03.
136—J. Woods, Gettysburg, pinned Reese in 3:23.

145—Jopling, F. and M., decided Partikian 1-0.
155—Daugherty, F. and M., pinned Hoenninger in 2:59.
165—Higgins, F. and M., pinned Oppenheimer in 7:47.

175—Schellner, F. and M., pinned Harford in 5:52.
Heavyweight—Snyder, F. and M., pinned Kassouf in 2:17.

College Coeds Down Millersville Sextet

The Gettysburg college girl's basketball team won its fourth straight victory Saturday afternoon by crushing the Millersville State Teachers' college sextet 45-26.

Sue Hunsberger and Ginny Decker led the local dribblers with 20 and 18 points, respectively.

The Penn palestra in Philadelphia is the scene of the eastern Penn conference title game between Hazleton and Bethlehem. The Red Hurricanes of Bethlehem high, the defending champions, won their shot at the crown by handing Allentown Central Catholic a 48-45 edging on the same court Saturday night in a special playoff for the second-half diadem.

The game will be a rubber match between the two leaders. The Hazleton Mountaineers pasted the Hurricanes earlier in the season as they swept aside all opposition in the first-half race.

Bethlehem later upset Hazleton for the Mountaineers' first league loss. Hazleton then lost its next game to Easton to finish third in the second half.

In the west, it will be Coach Chick Davies' Section 6 Homestead Steelers against Brentwood of Section 4 at Pitt stadium in the opening first-round eliminations of the far-flung WPIAL. The Steelers have only an early-season loss to Sharon marring their record and are looking ahead to meeting Alliquippa in the WPIAL finals.

Sentz Tops Scoring For Littlestown Hi
Clayton L. Evans, Littlestown high school coach, has announced the following individual scores made by the Littlestown high school students in county league basketball contests during the 1948-1949 season.

ONE HUNDRED YEARS AGO

The Hanover Spectator states that our enterprising townsman, Mr. John L. Tate, has obtained the contract for carrying the mail between Baltimore and Carlisle, via Hanover, and that it is his intention to run two-horse carriages on the road.

Resignation of Hon. J. Cooper—**SPECIAL ELECTION:** Mr. Cooper on Saturday resigned his membership in the Legislature of Pennsylvania, and the Speaker has issued his writ for a special election to be held on the 21st of March. This is an expense which might have been spared the County—but as it is ordered, we must, of course, elect.

The Birthday of Washington was ushered in by firing of guns, ringing of bells and rich music from "Gettys Lodge Band." The County Temperance convention was held during the day; the Phrenosomians had their celebration in the evening; and a supper also came off at Mr. Wattle's Hotel, at which a large number of citizens were present.

Fire: On Thursday evening, about 7 o'clock, the large stable of Messrs. Danner and Ziegler, near the Methodist church, was discovered on fire. There was a considerable quantity of hay in the stable, which was in blaze when first seen, but by prompt exertions the fire was extinguished before it had attained much headway. It was beyond doubt the work of an incendiary.

Married: On the 22d inst., by Rev. George O. Little, Mr. William Fisher, to Miss Rebecca Rath—both of this place.

On the 22d inst., by the Rev. J. Ulrich, Mr. Amos Schlosser, to Miss Catharine Newcomer—all of this county.

On the 28th inst., by the Rev. B. Keller, Mr. Columbus Washington Taylor, to Miss Belinda Heller—both of Menallen township.

On Monday, by the Rev. Mr. Auerand, Mr. Henry Appleman, to Miss Eliza Hoffman—both of this county.

SEVENTY-FIVE YEARS AGO
A revival has been in progress in the Methodist E. church of this place for several weeks, with preaching and religious services every evening.

The Council: The new Town council met on Thursday night. John M. Krauth, Esq., was sworn in as Burgess, Hugh D. Scott and Samuel K. Pouk succeeding Dr. Fahnestock and George B. Stover in the council. David Wills, Esq., was re-elected president, and Jacob Aughinbaugh, clerk.

Married: Currens—Pittenturf. On the 24 inst., by Rev. M. Bushman, Mr. David Currens to Miss Clara Bushman, all of this county.

Fuss—Overholtzer. Near Emmittsburg, on the 10th inst., by Rev. E. S. Johnston, Mr. William Fuss to Miss Louisa Overholtzer, both of the vicinity of Emmittsburg.

Rice—Smith. On the 17th inst., by Rev. M. Snyder, Mr. C. R. Rice, of Menallen township, to Miss Ida C. Smith, of Centre Mills.

Stover—Stonesifer. On the 22d inst., in St. James Lutheran church, Littlestown, by Rev. M. J. Alleman, Mr. William Stover, to Miss Mary L., second daughter of Mr. George Stonesifer, all of Littlestown.

Walker—Rhodes. On the 24th inst., at Gettysburg, by Rev. W. S. Van Cleve, Mr. Gibson Walker to Miss Rhodes, both of Adams county.

John M. Krauth, Esq., of this place, has been appointed Bank Assessor for the district composed of Franklin and Adams counties.

Sales: Lewis Strouse has purchased the property of Sidney O. Brien, deceased, on south Washington street, at \$113.50.

Stocks: Lewis & Bro. have sold their farm in Franklin township, 208 acres, to George Swope, of Lee county, Illinois, at \$50 per acre; also 10 acres farming land to John Nary at \$40 per acre; 23 acres mountain land to John Herring, at \$9 per acre; 10

Today's Talk

IMPORTANCE

We are only important as we do. We should first be important to ourselves. That accomplished, we are in line to be important to others, and to the world at large. But this importance must be inspired by the doing of something that is important. Our own importance can well be left to the judgment of others. It's what we make important that stands out.

In the workings of our daily lives the most important things should be done first. Importance is selective. We don't always know just what is most important, but by doing we learn. The most important thing in life, however, is the building of a character. Character is what inspires every important achievement.

On a memorial plaque, presented by the Cherokee Nation, to the memory of Will Rogers, and which anyone may see at his memorial at Claremore, Oklahoma, are engraved these words of the great humorist: "Live your life, so that whenever you lose you are ahead." Will Rogers lived an important life because he was forever spreading good will. Yes, good WILL Rogers! He loved people, and so people loved him all over this globe.

Do something worthy and you will be important. It always works. It isn't even important to be wealthy or famous. But you can be useful, and do useful things if you have wealth and make it serve people's happiness; and if you do important things, as Will Rogers did, you can't but be famous, and justly so.

The mere great wealth of a Rockefeller or a Ford, in itself is not important, but what this wealth has achieved in blessing mankind through vast employment and in furthering educational and scientific research, is highly important. So much so that its importance cannot be estimated.

The fame of Abraham Lincoln grows with each celebration of his birthday, because of the love of justice, freedom, and human worth, that his life exemplified. The glow of his humane character grows with the accumulation of the years. "Billy" Herndon, who was Lincoln's law partner, has grown with the years in importance, and David Donald has emphasized this fact in his unusually interesting book, entitled "Lincoln's Herndon" — because Herndon knew Lincoln.

Tomorrow Mr. Adams will talk on the subject: "Something Better."

"An honorary citizen," the Texas governor said.

A hat to hold 10 gallons they put upon my head,
With a printed piece of paper that bears the governor's name,
A gold seal and a ribbon within a little frame.

My friends come in and chuckle that broad-brimmed hat to see.
They read that piece of paper the governor gave to me.
But 'tis no laughing matter, I tell them then and there;
That's much too great a burden for such as I to bear.

"On you the eyes of Texas are looking night and day."
I still can hear them singing, though I am far away.
And though they laughed about it, forget I never can

Among the patents issued recently was one to David Warren, of Gettysburg, a car starter. It is a simple but ingenious contrivance, and seems to be the very thing needed in starting horse cars, in giving increased leverage at the moment of starting and thus saving the horse.

Improvements: We notice that Mr. David Kendlehart and the proprietors of Central Hotel, both on Baltimore street, have had Venetian shutters put to the windows of the 2nd and 3rd stories, improving the appearance of both buildings.

Col. C. H. Buehler, requiring additional room for the storage of his large stock of stoves, ware, etc., has torn out the partitions in the basement of his warehouse, thus securing an additional warehouse, as large as that on the first floor.

Recently Mr. Charles Sterner (blacksmith), living about two miles west of New Oxford, whilst in the act of steeling an axe, had one of eyes badly injured by a piece of hot steel striking it upon the wound being dressed, it was found that the eye was not totally destroyed, and hopes are now entertained that Mr. S. may recover his sight again by proper care.

On Thursday Sheriff Hersh slaughtered three pigs, four and a half months old, which weighed 426 pounds when dressed—being an average of 142 pounds. Who can beat

FRENCH CHARGE

"RED" LEADERS WITH TREASON

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The grave clash between the Paris government and the country's powerful Communist party has brought France again up against the fact that all Communists, irrespective of birth, regard themselves as owing allegiance first to Russia.

This fresh drama can best be understood by taking the last act first, and then working back. Yesterday a high government source in Paris said War Minister Ramadier was taking legal action against the central committee of the French Communist party for allegedly inciting the army to revolt.

Ramadier's complaint was said to be based on statements made in posters and the Red daily L'Humanite during the miners' strike last autumn. These statements revolved about the theme that "France never will fight the Soviet Union." Troops and police were sent to occupy the mines, and bloody clashes followed before the strike was broken.

The Preceding Act
We now move back to the preceding act. The reported government action followed a speech in Parliament Tuesday by Maurice Thorez, Communist party secretary general and one of international Communism's top leaders. Thorez repeated a statement that the French people should welcome the Red Army if it ever reached France. The way the speech developed was this:

(1) Russia never would be an aggressor. (2) The French people might

be led "in spite of their wish" into a war against Russia. (3) Under such circumstances Russia, in her own defense, might have to "chase the enemy onto our soil." (4) In this case the French people probably would have no differently toward the Red Army from the way the "workers and people of Poland, Romania and Yugoslavia" behaved when the Russians arrived.

The next day the French Communist party formally declared that the French people "will never make war against the Soviet Union." This declaration further contained a blast against the United States, saying in part: "The American imperialists, who seek world domination, want—with their valets—to make war against the Soviet Union."

Allegiance to Moscow
The National Assembly the following day voted condemnation of French Communist leaders for alleged treasonable statements, and expressed confidence in the govern-

ment to punish them. During the debate Premier Henri Queuille threatened to take legal action against the Communist leaders for attempting to "undermine the morale of the nation and the army." However, the Assembly rejected a motion calling on the government to prosecute Thorez on specific charges of treason or incitement to treason. Thorez' statement of course is based on the idea of aggression against Russia by America and the other Western powers, including France.

In any event it's clear that French Communists, like the Communists in any other country, give their allegiance to Moscow in all matters affecting Russia and Communism. That's one thing which makes the solution of the "cold war" so difficult.

GOP PROMISES TRUMAN BATTLE

Washington, Feb. 28 (AP)—Republicans promised today a "vigorous" political counter-attack if President Truman takes the fight for his congressional program to the country in a stumping tour.

Senator Brewster (R-Me) told reporters there won't be any "sweetness and light" about his party's backtalk in defense of the Republican record in the 80th and 81st Congresses.

"There is no question that, so far as the Republican record is concerned, it will be very proudly and vigorously presented to the country," the Maine senator said.

National Chairman Hugh D. Scott, Jr., chipped in with the observation that he will "let the

President continue to criticize the Democrats while the Republicans go to work."

Scott agreed at a meet on Friday with the Senate campaign committee headed by Brewster and the Senate Republican policy committee, headed by Senator Taft of Ohio, to enlarge congressional membership on a national policy committee.

The policy group is charged with deciding whether to hold a national Republican policy conference next fall. Taft told reporters he doesn't

think much of the idea, but he said he wouldn't oppose it vigorously if others want it.

Colon Illustrations

The COLON is one of the most important organs of our body.

THE IDEAL COLON. A person in perfect health possesses a colon like this—firm, muscular and regular.

CONSTIPATION is the cause of this atonic abnormal colon. Keep colon free from poisonous waste matter.

SPASTIC CONSTIPATION—This condition is often caused by over use of harsh cathartics, physics.

BOWEL ADHESIONS—Proper diet, keeping colon clean, always helps to avoid the condition of this colon.

Drugless Health

IF YOU ARE a sufferer of these ailments, try BIO-MINERAL. You may be astounded at the results. You need not guess—you will see facts. BIO-MINERAL comes from the earth—Nature's Laboratory. Contains NO dose, NO alcohol, NO oil. ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

BIO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes anemia, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, red cheeks, fight disease, build up health.

Wonder Minerals

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there regularly twice a year.

YEAR after year, people rush to mineral springs, and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results

BIO-MINERAL contains minerals you get at the world's best springs. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it. Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, relieving you. And then realize the priceless value of BIO-MINERAL.

BIO-MINERAL is not a physic and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

We Guarantee

WE URGE everyone to try BIO-MINERAL. Do not hesitate one moment. Come to Rea & Derick's now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money in full.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, BIO-MINERAL may be the remedy you need.

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

What Kind Of Potatoes

The per capita rate of potato consumption in the United States has been declining for many years. Farmers and gardeners cannot sit disinterestedly on the sideline and watch this occur without seeking some reasons? Why are our people eating fewer potatoes than they did in 1910? In 1940? Answers to these questions lie very near the heart of our vast farming industry.

Fortunately the grower need not remain in the dark on this question and all its related factors. A sample survey conducted by the government last fall elicited from American housewives enough information to serve as a basis of sound planning. Here are a few of the facts unearthed, facts which should shed light on planting practices this spring:

Few housewives know but little about the food values of potatoes. Over 70 per cent of those interviewed believed the only major food property in a potato is starch.

Not many women interviewed knew anything about potato grades. Over 60 per cent of potatoes are purchased at grocery stores loose out of a bin in five-pound lots or less. Reasons for this practice, as against buying bagged or otherwise packaged potatoes, headed up in the explanation, "We want to see what we're getting."

Of those who bought their potatoes in containers, over 40 per cent preferred open-mesh bags, and more than half of them wanted brand-labelled containers.

Quality was the first consideration among housewives, size of potatoes was second, price apparently took third place. About 12 per cent reported they buy fewer potatoes

GIANT CROCUS FAVORED AMONG EARLY BLOOMS

Of all the small early flowering bulbs, the giant crocus is most popular. It blooms shortly after the snowdrop and when its gayly colored goblets open, spring is not far off.

With bulbs spaced an inch apart in groups containing from a dozen to several thousands, crocuses catch the eye even from a considerable distance, especially in full sun. In partly shaded locations they fail to open wide.

It is surprising to see their response to favorable conditions. Year after year they will repeat their spring performance even after the bulbs (corms is botanically correct) have become so crowded as to form a solid layer. Each year a new set of corms is produced atop the old ones and consequently they come closer and closer to the surface.

When they have reached the surface, replanting becomes necessary. The time to do this is after the foliage has died down in early summer. Before planting three inches deep prepare the soil deeply and add a generous quantity of bone meal.

What has been said about their longevity presupposes that the gardener has followed the rule of never removing the spring foliage until it has turned brown.

Beautiful as they are planted in the lawn, they will not last there nearly so long as in beds or borders. Few have the patience to wait with cutting the lawn until the crocus foliage has fully ripened and those who do, know that the grass is then too tall to permit the use of the lawn mower. In the meantime hungry grass roots have made it difficult for them to find all the food they need to form next year's corms.

CUT THIS OUT AND PASTE ON CARDBOARD FOR REFERENCE

A few hours spent this winter on a good plan for your home vegetable garden may cut the time required to tend it next summer right in half, while giving as large an output, and of better quality.

How is that possible? By reducing waste-of land, and of your harvest, which the lack of a careful plan so often allows. When too much space is used, and you grow more of many vegetables than required, the surplus is likely to be wasted. The time it has taken to produce this surplus, the seed and fertilizer used upon it, are also wasted.

Careful planning will enable you to reduce your garden area to the space which, if kept busy throughout the season, will grow all the vegetables you can use. The reduced space will probably be better kept, and can be twice as well fed with the same amount of plant food, which will insure early, heavier yields, of superior quality.

The vegetables which require special thought are the ones which give a short harvest. They are also

the earliest ones, which may begin to yield in May, or June; but which for the very reason that they are early, are at their best table quality only a few short weeks. Unless you plan your sowings carefully, you are likely to have altogether too many during this first brief harvest, and then pass the rest of the summer with none at all.

Snap beans, beets, carrots, cucumbers, lettuce and endive, kohlrabi, turnips, spinach, sweet corn, onions from sets, and radishes are the principal ones. Some can only be grown in the early summer and fall, because they will not grow well in hot weather. But many can be enjoyed throughout the summer, if you make enough sowings of them; and plan them so that one short harvest follows another, and as soon as quality begins to deteriorate in the first sowing, you can begin picking top quality beans, or beets, or sweet corn from the next, and so on until frost interrupts the sequence.

To plan the correct number of

sowings, and determine how far apart to make them, give a few minutes' study of the table shown herewith. It lists 12 of the short-harvest crops which home gardens are likely to grow.

In the table Column 1 shows the days it requires a vegetable to reach table size, from seed sown in the garden. Since there are quick and slow growing varieties of most vegetables, look in your seed catalogue to find the time required by the varieties you will sow.

Need 16 Weeks

Column 2 gives the time a crop remains in good condition for the table. Column 3 gives the space in a garden row to produce one serving for a family of four. If beans are to be served twice a week, for example, since one sowing of beans provides a harvest for four weeks, eight feet in the row will produce all the beans the family can use from one sowing. A new crop should be ready every four weeks through the garden season, to keep the table

HIT BY SUBWAY TRAIN

Philadelphia, Feb. 28 (AP)—Struck by a southbound street subway train, Arthur Brown, 73, was in critical condition today with a skull fracture and bruises of the entire body. Detectives said Brown was walking the tracks near the Logan station yesterday when he was hit. He fell between the tracks, and the four cars of the train passed over his body before it was stopped.

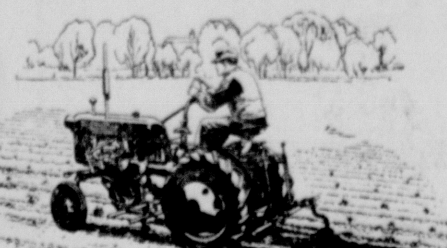

FIND WOMAN'S BODY

Sykesville, Md., Feb. 28 (AP)—The body of a woman patient identified as Mrs. Esther Brennum of Chambersburg, Pa., was found yesterday near the Springfield state mental hospital. She escaped from the institution January 19. Herdsman Elmer A. Seymour found the badly decomposed body on a farm near the hospital. State police are investigating.

supplied all summer. Of most crops enough sowings should be made to insure a 16 week's harvest, which will carry you into October.

127,000 TROOPS TO BE KEPT IN JAPAN BY U.S.

By ELTON C. FAY
Washington, Feb. 28 (AP) — The army intends to keep about 127,000 soldiers in Japan for the next year — mainly to keep the peace, but ready to fight if the former enemy country is attacked.

This is the number of soldiers the United States had there last year.

Plans for distributing the 677,000 men the army would have under appropriations proposed for the year beginning next July 1 were announced recently.

"They Would Fight"
In a news conference which followed, Gen. J. Lawton Collins, army vice chief of staff, made clear just what was meant by a reference to the "tactical mission" for occupation troops in Japan and Germany. "If Japan were attacked and our troops were there," he told a questioning reporter, "they certainly would fight. I can assure you."

Secretary of Army Royall, who recently said American forces in Japan are prepared to meet all comers and would not be cut, went a step further.

Royall said in a radio program (Mutual's "Meet the Press") that he didn't think a Japanese peace treaty would be signed in the very near future "in view of the Soviet attitude." He added, however, that there was "less tension with Russia than there was a year ago."

Disposes Of Rumors
That seemed to dispose finally of published rumors that the United States intended to pull out of the exposed forward position in Japan if there should be a war with Russia.

The army also announced plans to double its strength in Alaska, and reduce slightly the number of troops it has in Europe.

The present force of about 96,000 men in Germany will be cut to about 92,000 during the next year. Royall said Friday if war broke out in Europe, "we believe we can hold our ground in the initial stages."

Miss Levon Breighner, York, was a week-end visitor at the home of her parents, Mr. and Mrs. Parr Breighner, Littlestown R. 2.

Albert Bair, a student at West Chester State Teachers' college, spent the week-end with his parents, Mr. and Mrs. Arthur E. Bair, South Queen street.

Robert Scholl, a student at Millersville State Teachers' college, was a week-end guest at the home of his parents, Mr. and Mrs. Harry D. Scholl, South Queen street. On Sunday, he accompanied his parents to Lebanon, where they visited friends and relatives.

Mrs. Edwin W. Elder, Jr., and children, Edwin III and Jacqueline, Park avenue, accompanied Mr. and Mrs. Robert Kenworthy of Gettysburg to Baltimore on Sunday where the former visited her father-in-law and mother-in-law, Mr. and Mrs. Edwin W. Elder, Sr.

Miss Ethel Kindig, a teacher in the Conestoga public school, spent the week-end with her parents, Mr. and Mrs. John Kindig, East King street.

Mrs. Maurice Wareheim, Park avenue, who has been confined to her home with pneumonia, is greatly improved.

Mr. and Mrs. Theron Spangler and daughter, Marilyn, North Queen street, spent Sunday with their daughter, Shirley, at Cedar Crest college, Allentown.

Mr. and Mrs. Elmer Gall, McConellsburg, were week-end guests at the home of Mrs. Gall's mother, Mrs. Maurice Rider, Park avenue.

The birthdays of Miss Florence V. Sell, East King street, and her sister, Mrs. Thomas O. Weaver, East Myrtle street, were noted at the home of the former on Sunday afternoon. Guests included their mother-in-law and sister, Mr. and Mrs. G. Irvin Reindollar, daughters Florence, Nadine, Ruth, Lee Reindollar's son and daughter-in-law, Mr. and Mrs. Carroll Reindollar and children, Raymond and Carolyn; the former Reindollar's daughter, Mrs. Wilbert Haare and daughter, Linda Mae, and their son-in-law and daughter, Mr. and Mrs. Paul Summers, all of York. Also present were Arthur Lentz of York and P. Emory Weaver, town. A luncheon was served and a birthday cake occupied the center of the refreshment table. Before leaving for York, they also visited Irvin Reindollar's mother, Mrs. George Reindollar, and his brother, J. Ray Reindollar, Lumber street.

Denmark, Sweden Lean Toward West

Copenhagen, Denmark, Feb. 28 (AP)—Denmark appeared lined up firmly with the west in the cold war today, and there were indications that Sweden, too, is leaning in that direction.

Denmark's position on the North Atlantic Defense Pact—proposed western military alliance against Russian expansion—was made clear yesterday when the country's largest political party the social Democrats, decided to look to the west for security.

Meanwhile high diplomatic sources in Sweden, traditionally neutral key nation of the North Scandinavian bloc, predicted that Sweden will join the projected North Atlantic agreement within six months. One informed source said "sooner, if the Russians make any move toward Finland."

Norway, the other Scandinavian country, already has turned to the west for her military security. Norway said an all-Scandinavian defense arrangement with no links to the west, as proposed some time ago by Sweden, would not be strong enough to make her feel secure.

KILLER SLAIN WITH 12 SHOTS

Phoenix, Ariz., Feb. 28 (AP)—Killer Bill Ray Gilbert made good his boast he would never be taken alive. He fell dead before a blaze of police gunfire here last night.

He almost made good his second boast—"I'll take two officers with me when I die." He shot a policeman three times in the leg.

The 28-year-old Arizona ex-convict killed a woman and two men near Needles, Calif., last Wednesday.

The gun battle with police ended a crime foray in which Gilbert and a prison pal, George Adolph Schmid, 22, kidnapped a Phoenix woman, killed the three Californians, and returned to Arizona with a plan to kill the state prison warden and other officials.

Schmid was captured without resistance by two city policemen here early yesterday as he tried to reach his mother's home. He was armed with two pistols.

Police surrounded a tourist court cabin in the southwestern section of the city last night when the operator, C. A. Jensen, reported a man he recognized as Gilbert had registered during the afternoon. Gilbert died with 12 bullet holes in his body.

Charges Denied
Chernov said he had been ordered to collect espionage by Cyril Black, former U. S. political mission secretary here. He claimed he had talked with Black during the period from November, 1944, to the middle of 1945. (Black, now a professor at Princeton university, has denied the charges made by the defendants in their court recitations. They said that some of the Americans and British mentioned in testimony were not even in Bulgaria at the time the pastors said in their confessions they talked with them here.)

In numerous other cases, officials said, conversations between Americans and Bulgarian pastors concerned only generalities and had nothing to do with espionage.

Some spectators in the courtroom were dozing as Chernov continued the routine of pleading guilty and accusing himself.

Highlights On Making Income Tax Returns

NO. 6—PROBLEMS OF THE LONG-FORM

(Editor's Note: This is the sixth of 12 stories on how to do what about his 1948 income tax return, for the deadline is March 15.)

By JAMES MARLOW
Washington, Feb. 28 (AP)—If your 1948 income was \$5,000 or more, you must make your tax return on the 1040 long-form.

Some problems of unmarried and married people in using the long-form will be explained in this of a 12-story series.

The next, seventh, story will show how these problems work, in examples of filling out the long-form. So save this sixth story for use with the seventh. Today's explanations will not be repeated in the seventh story although they'll be examined more fully in later stories in the series.

Remember Three Things
Keep these three things in mind in using the 1040 long-form: Exemptions, deductions, and the problems of husband-wife filing.

Before going further, remember this if you're a \$5,000-or-more family:

1. In every case, where the wife had no income, it will be cheaper for a couple to file a joint return, 2. And where the wife does have some income, in most cases it will be cheaper to file jointly on the long-form.

Now take exemptions. An exemption is a fixed amount of money a taxpayer can deduct from his in-

come before it is taxable.

More On Exemptions
Everyone filing a return gets a \$600 exemption for himself; \$600 for his wife if she had no income and doesn't file or else files jointly with her husband; and \$600 for each dependent.

If the wife had any income at all—for example, \$1—no exemption can be claimed for her unless she files a return, either separately or jointly with her husband.

But—if she had income of \$600 or more she must file a return anyway, either separately or jointly.

So a couple stands to lose money—since there's a \$600 exemption for her—if she had under \$600 income and doesn't file jointly with her husband, for, as pointed out, otherwise the \$600 exemption is lost.

Facts On Dependents
A dependent is any person—age doesn't count—who is closely related to you and got more than half of his or her income from you in 1948.

But you can't claim a dependent anyone who had income of \$500 or more—which means you lose the \$600 exemption for him.

So long as he had less than \$600 income, he wouldn't have to file a return. But if his income was \$500 or more, although under \$600, you couldn't claim an exemption for him.

Husband-Wife Filing
If you aren't sure whether, in your particular case, separate or joint filing will save money for you, work out your tax both ways.

The reason it was said earlier that husbands and wives almost always will save money by filing jointly, whether the wife had income or not, is this: They'll get the benefit of the new law Congress passed for married people last year. It permits couples to "split" their income, as if each were claiming half of the total.

Deductions
Every unmarried person who files a return is allowed a personal deduction—for things like medical expenses, charity, taxes, interests—of 10 per cent of his income up to a limit deduction of \$1,000.

That—meaning a 10 per cent deduction, without itemizing. If they want to claim more than 10 per cent, they must itemize.

Take three unmarried examples, their income, and the standard deduction allowed them: Smith—\$8,000 income, \$800 deduction; Jones—\$10,000 income, \$1,000 deduction; Brown

—\$20,000 income, \$1,000 deduction. But—and this is important—it's different with married people.

Even when the wife didn't have a dime of income, a married couple filing a joint return gets a standard deduction of 10 per cent of their income up to a limit of \$1,000. Example: Their income was \$9,000—deduction, \$900; or, their income was \$15,000—deduction, no more than \$1,000.

Can "Split" Income
But a husband filing a return alone—that is, separately—even when the wife had no income, is allowed a standard deduction not exceeding \$500, no matter how high his income. Example: Income \$5,000—deduction, \$500; income \$15,000—deduction, \$500.

When husband and wife file separate returns, neither is allowed more than \$500 standard deduction for each.

It would seem here that a single person has an advantage over a married couple in deductions. But that only equalizes for the unmarried persons the benefits husbands and wives get by filing a joint re-

turn.

They can "split" their income and get a lower tax but a single person can't split his income.

secretary's report. The president announced that next Sunday will be the monthly consecration meeting, when each member will be asked to respond to the roll call with a verse from the Bible. The leader will be Miss Pearl Sell and the topic will be, "Digging Deeper into Faith."

Two baskets of flowers were placed in the chancel of Christ Reformed church on Sunday morning in memory of David S. Clouser, a member of the church, who died last week. They were placed there by the family. The altar vases were filled by the Girls' Guild of the church as their Golden Deed for February. There will also be choir rehearsal in the church on Thursday evening at 7:30 o'clock.

Read Bishop's Letter
The Rev. Fr. George A. Lavelle, pastor, read the annual letter from Bishop George L. Leech, Harrisburg, at both masses in St. Aloysius Catholic church on Sunday morning. The letter dealt with the Lenten regulations. Included in this message were the suggestions that throughout the

season of Lent, each Catholic should feel a personal obligation to avoid sin, do penance to chastise the flesh, mortify the body and senses and practice self denial. The daily family Rosary was also advised for the 40 day Lenten season. There will be daily mass this week at 8 a. m. As Wednesday there will be a blessing and distribution of the ashes at a. m. followed by mass. Evening devotions will be held Wednesday, 7:30 p. m., with distribution of the ashes after service.

Lenient services each Wednesday night at 7:30 o'clock during Lent. He will base his meditations on "The Life of Jesus" as recorded in St. Mark's Gospel.

Plains have been completed for Young Men's class minstrel which will be presented in the social hall, on Tuesday evening at 8 o'clock in connection with their fastnacht social. Clayton L. Evans is the director. The cast includes John D. Basehoar, Samuel H. Higginbotham, Stewart N. Long and Donald C. Arbogast who will be the end men and Clayton L. Evans who will be the interlocutor. The rest of the class will comprise the chorus. The price of the tickets will be 25 cents. Confirmation class will be omitted this week.

The pastor will conduct mid-week

Drive a '49 FORD and FEEL
the difference!

You'd expect to pay hundreds of dollars more for Ford's new "feel"—the way it steers, the way it rides, the way it gets away! But that's what you get from Ford's Fingertip Steering, from Ford's new springing ("Hydra-Coil" in front, "Para-Flex" in rear) and Ford's new "Equa-Poise" Engines. Yes, drive a '49 Ford and FEEL the difference!

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC Network at 8:00 E.S.T. Listen to the Ford Theater, Friday Evenings—CBS Network at 9:00 E.S.T.

White sidewalls optional at extra cost.
